## ***About Us***

---

Established in the year **2006**, we, "**Trambakraj Electricals**", are a premiere **Manufacturer, Wholesale Trader and Retailer** of **Electrical Products**. Our comprehensive array consists of **Ring Main Unit, Electrical Earthing Material, Panel Boards, Electrical Safety Equipments, Etc.** We owe our exponential growth over the past couple of decades to our deep-rooted principles. Along with this we are also **Service Provider** of **Electrical Contracting Services And Electrical Installation Services**.

Our firm is backed by a team of diligent professionals, which puts their best possible efforts in procuring the premium quality products from the leading vendors. They store our products in an organized manner at our full-pledged warehousing facility. Moreover, our products are scrutinized on varied industry parameters to ensure that these are in tandem, with industry norms & standards.

Our product range includes Cables, Circuit Breaker, MCB (Miniature Circuit Breaker), MCCB (Moulded Case Circuit Breakers), Distribution Board, Ring Main Unit, Outdoor Vacuum Circuit Breaker, Indoor Vacuum Circuit Breaker, and Control Panel Boards. These products are highly acclaimed in the industry owing to their high durability, corrosion resistance, and reliability. Our firm has achieved strong credibility in the market by dint of our total quality management and good financial position.

Under the visionary guidance of our skilled mentor, '**Mr. Pankaj R. Gharte**', we have achieved tremendous success over these years, His brilliant managerial skills, constant motivation, and in-depth domain expertise have enabled us in gaining an edge over our industrial counterparts.

## Over Products

### Electrical Earthing Material

Our range of products include copper earthing plate, hot dip GI earthing plate, copper strip, earthing GI strip, GI earthing pipe and cast iron earthing pipe.

### Copper Earthing Plate

#### Product Details:

Material	Copper
Usage/Application	Electrical Earthing
Size	300x300mm
Brand	Trambakraj Electricals
Shape	Square
Country of Origin	Made in India
Thickness	3 mm

Available Sizes: 600x600 mm | 300x300 mm

### Hot Dip GI Earthing Plate

#### Product Details:

Material	Galvanized Iron
Usage/Application	Electrical Earthing
Weight	5 Kg (Approx)
Brand	Trambakraj Electricals
Plate Thickness	3 to 6 mm
Shape	Square
Country of Origin	Made in India

Available Sizes: 600x600 mm | 300x300 mm

## Over Products

### Copper Strip

Product Details:	
Type	Bare
Usage/Application	Earthing, Busbar
Material	Copper
Country of Origin	Made in India

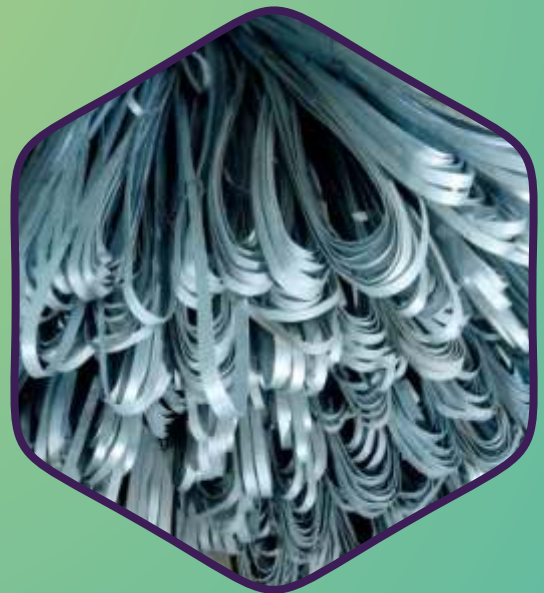

Available Sizes: 25x3 mm | 25x6 mm | 40x5 mm

### Earthing GI Strip

Product Details:	
Usage/Application	Electrical Earthing
Material	Galvanized Iron
Finish	Polished
Country of Origin	Made in India

Available Thickness in mm: 25x3 | 25x6 | 40x5

50x5 | 50x6 | 75x10

## Over Products

### GI Earthing Pipe

Product Details:	
Length Of Rod	5 Feet
Usage/Application	Electric Earthing
Material	Galvanized Iron (GI)
Diameter	50 mm
Brand	Trambakraj Electricals
Country of Origin	Made in India

Available Sizes: 20 mm | 25 mm | 50 mm | 100 mm

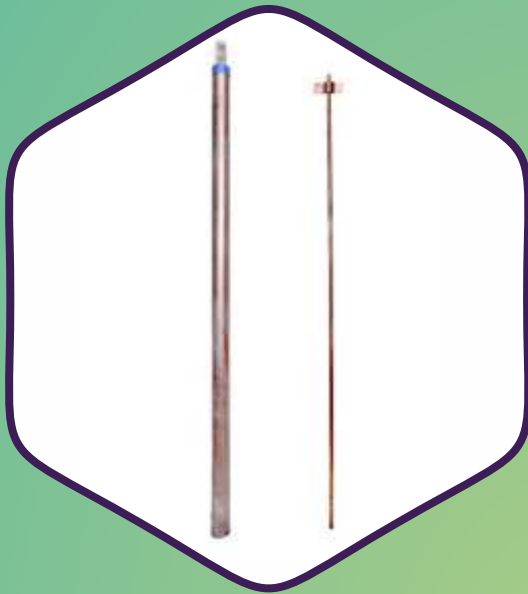

### Cast Iron Earthing Pipe

Product Details:	
Brand	Kapilansh Dhatu Udyog/ NFL
Usage/Application	Electrical Earthing
Size/Diameter	3, 4, 6 inch
Length	Upto 6 mtr.
Surface Finish	Anodized
Shape	Round
Country of Origin	Made in India

**Cast Iron Earthing Pipe**, Technically earthing pipes are known as earthing electrode pipes, these are suitable for all types of installation right from domestic to power stations. These are widely used in electrical installation, transmission line in transformer earthing and other such applications.

## Over Products

### Maintenance Free Earth Electrode

#### Product Details:

Length Of Rod	Upto 3 meter
Usage/Application	Electrical Earthing
Material	Galvanized Iron (GI), Copper Bonded, Copper
Brand	SI (Saara Earthing)
Country of Origin	Made in India

Available Diameter in mm : 17.2 | 50 | 60 | 80

# Over Products

## Cable Tray

Leading Manufacturer of walkway system for rooftop solar power plant, ladder type cable trays, perforated cable trays and GI cable raceway from Nashik.

## Walkway System for Rooftop Solar Power Plant

Product Details:	
Speed	1500-3000 RPM
Surface Type	Hot Dipped Galvanized
Usage/Application	For Solar
Automation Grade	Automatic
Level Steps	2
Material	GI
Brand	Trambakraj Electricals
Country of Origin	Made in India

Walkways are used to allow easy and regulated access to the movement on solar rooftop both for normal movement and for repair and maintenance. can be delivered in standard sizes and can also be customized as per customer requirements.

### Features and Benefits

- Lightweight
- Virtually Maintenance free
- Non-slip surface
- Simple, quick install
- Environmentally friendly

## Ladder Type Cable Trays

Product Details:	
Size	all
Material	Steel
Tray Type	Ladder Type Cable Tray
Cable Tray Coating	Galvanized Coating
Usage/Application	Cable trays are typically used for light weight cable support, in addition to Instrumentation and telephone system
Sheet Thickness	1.2-3.00 mm
Shape	Ladder
Brand	Trambakraj Electricals

**Ladder cable tray** offer high strength as per specification which made them perfect for heavy-duty power distribution in industries, manufactured using pre-galvanized mild steel. These **Ladders** are available in width ranging from 150mm to 1200 mm and height ranging from 50 mm to 150 mm

## Over Products

### Cable Tray Bend

#### Product Details:

Elbow Bend Angle	T, Horizontal, Vertical, Reducer, Cross
Cable Tray Coating	Galvanized Coating
Tray Type	Ladder, Perforated
Material	Mild Steel
I Deal In	New Only
Brand	SP Enterprises
Country of Origin	Made in India

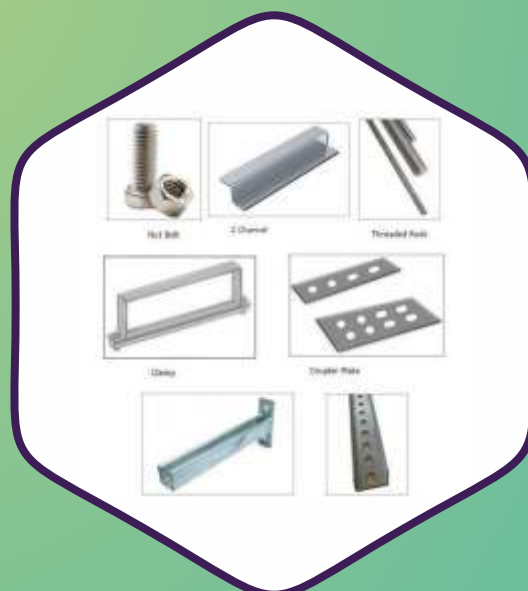

#### We are supplying cable trays and accessories:

- Ladder type cable tray
- Perforated type cable tray
- Trunking box
- Wiremesh cable tray
- Race ways
- Horizontal bend
- Vertical bend
- Reducer
- Cross
- Tee
- Coupler plate

### Cable Tray Accessories

#### Product Details:

Tray Type	All Cable Tray
Cable Tray Coating	Galvanized Coating
Material	Mild Steel
Size	All
Brand	SP Enterprises
I Deal In	New Only

#### We Provide the cable tray Accessories

- Z channel
- C channel
- Coupler Plate
- Clamp
- Threaded Bolts
- Nut Bolt

## Over Products

### Perforated Cable Trays

Product Details:	
Size	50x25, 100x25, 150x50, 300x50, 450x50, 600x50, 750x50 & 1000x100
Material	MS
Tray Type	Perforated Cable Tray
Cable Tray Coating	Hot-Dip Galvanized
Usage/Application	Cable trays are typically used for light weight cable support, in addition to Instrumentation and telephone system
Sheet Thickness	1.5-3.00 mm
Shape	Rectangular
Brand	SP Enterprises
Country of Origin	Made in India

Cable trays are used for providing mechanical protection in an environment where large quantities of power control cables are at work. Besides providing mechanical protection, these cables are also designed to facilitate a perfect routing path for power or control cables.

### GI Raceway Cable Tray

Product Details:	
Material	Galvanised Iron
Usage/Application	Industrial
Tray Type	Plain
Mounting	Overhead
Country of Origin	Made in India

It offers perfect solution for network wiring management systems. The raceways are functional for wire enclosure applications in commercial, Residential, Industrial environments. They maximize system performance while optimizing costs

## Over Products

### Coupler Plate for Cable Tray

Product Details:	
Tray Type	Perforated CableTray
Cable Tray Coating	All
Material	Steel
Size	50 ,75,100 mm
Brand	Trambakraj Electricals
I Deal In	New Only
Country of Origin	Made in India

Coupler Plate for Cable Tray in all size Yes! I am interested

## Ring Main Unit

Providing you the best range of 11 KV oil ring main unit,

### 11 KV Oil Ring Main Unit

Product Details:	
Rated Voltage	11 KV
Degree Of Protection	Ip55
Rated Current	400 Amps
No. Of Poles	3 Poles
Usage/Application	Industrial/ Commercial
Brand	Lucy Electric India Pvt Ltd
Color	Grey
Finishing	Powder Coated
Country of Origin	Made in India

## Over Products

### MCR Ring Main Unit

#### Product Details:

Rated Voltage	11KV/22KV/33KV
Degree Of Protection	Ip65
Rated Current	630 Amps
No. Of Poles	3 Poles
Making Capacity	350 MVA
Usage/Application	Industrial & Commercial
Brand	Lucy Electric India Pvt Ltd
Color	Off White
Finishing	Powder Coated
Country of Origin	Made in India

**MCR Ring Main Unit** is a versatile SF6 insulated Vacuum Ring Main Unit a combination of vacuum circuit breaker unit and fault-make load break switches (Ring switch / Isolators). With front cable terminations, the system is highly compact and well protected with Pad-lock, interlock & earthing facilities. The unit is suitable for both indoor & outdoor applications and can be used either as a free standing unit or installed in compact mini-substation

These products are highly acclaimed in the industry owing to their high durability, corrosion resistance, and reliability.

### Power Distribution Panel Boards

#### Product Details:

Brand	Trambakraj Electricals
Material	Mild Steel
IP Rating	IP42/54
Capacity	6000 Amp ,440 Volt
Automation Grade	Manual
Color	Siemens Grey
Surface Finish	Powder Coated
Country of Origin	Made in India

We design and manufacture Power Distribution Panel Boards. The materials used in the manufacturing of these panels is of optimum quality and are widely demanded across different industries. Further, these panels are made using the advanced technology and are assured for reliable performance and can be bought at industry leading prices .

Our Power Control Circuit Panels are required for power distribution purposes in different industries. These panels are designed knowing the total connected load of each feeder and consider all type of degree of protections to ensure safety of the user. Further, these panels can be custom made as per the requirements of the customer.

## Over Products

### Transformer Oil

Manufacturer of a wide range of products which include electrical transformers oil and transformer oil.

### Electrical Transformers Oil

#### Product Details:

Brand	Carol
Usage/Application	Transformers, Electrical Insulation
Grade	Is335
Packaging Type	Barrel/Drum
Quantity Per Pack	210 Liters
Density	890 kg/m <sup>3</sup>

**Electrical Transformers Oil** or Insulating Oil is an oil that is stable at high temperatures and has excellent electrical insulating properties.

### Heat Shrink Power Cable Jointing Kits

#### Product Details:

Material	Cross Linked Polyolefin
Usage/Application	For Cable Termination
Power	1.1 to 33KV
Conductor Size	400 Sq mm
Voltage Type	Medium Voltage
Type	Outdoor
Core Type	3,3.5 Core
Color	Red
Frequency	50/60 Hz
Country of Origin	Made in India

These products are highly acclaimed in the industry owing to their high durability, corrosion resistance, and reliability.

# Over Products

## Vacuum Circuit Breaker

### Indoor Vacuum Circuit Breaker

Product Details:	
No. of Poles	3
Rated Current	800 Amp to 1600 Amp
Brand	ABB, Crompton
Voltage	11/22/33 KV
Frequency	50 HZ
Phase	3 Phase
Automation Grade	Automatic
Warranty	1 Year
Country of Origin	Made in India

Our Indoor Vacuum Circuit Breaker, available with a series of accessories provides convenience to the user by offering high interrupting performance. The panels have long lasting electrical and mechanical life and hence eliminate the frequent expenditures met in replacing the fuses. 1 Indoor Vacuum Circuit Breaker

## High Voltage HRC Fuse

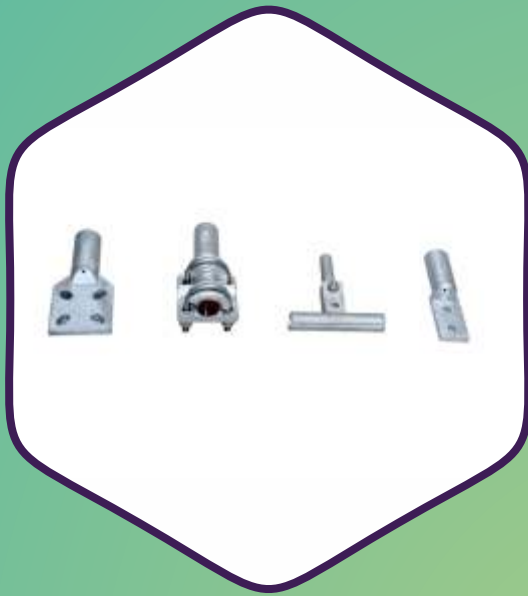

Product Details:	
Voltage	12KV
Current Rating	Upto 100 A
Brand	Phoenix
Fuse Type	Cartridge Fuse
Braking Capacity	Upto 80kA
Usage/Application	Ring Main Unit/ LBS/ Motor Protection
Material	Ceramic
Country of Origin	Made in India
Frequency	50/60 Hz

These products are highly acclaimed in the industry owing to their high durability, corrosion resistance, and reliability.

## Over Products

### Connector Clamp

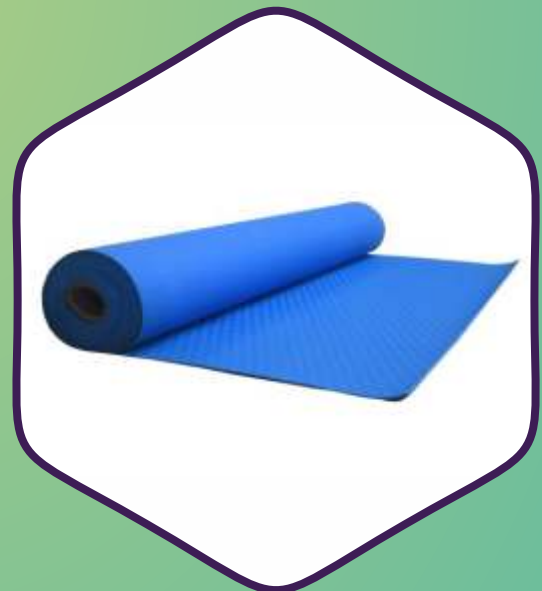

Product Details:	
Brand	Trambakraj Electricals
Size	Suitable For 0.1 and 0.2 Conductor
Material	Aluminium
Usage/Application	Electrical Overhead Line, Substation
Country of Origin	Made in India

These products are highly acclaimed in the industry owing to their high durability, corrosion resistance, and reliability.

### Electrical Insulating Mat

Product Details:	
Usage/Application	Electrical Insulation
Pattern	Coin
Thickness	2 to 3 mm
Size	1 x 10 meter
Material	PVC
Color	Blue/ Black
Brand	National, Vradhaman
Country of Origin	Made in India

These products are highly acclaimed in the industry owing to their high durability, corrosion resistance, and reliability.

# Over Products

## Feeder Pillar

Product Details:	
Brand	Trambakraj Electricals
Material	Mild Steel
IP Rating	Ip54
Number Of Ways	6
Color	Red
Surface Finish	Powder Coated
Mounting Type	Vertical
Country of Origin	Made in India
Power Rating	Upto1000 A

These products are highly acclaimed in the industry owing to their high durability, corrosion resistance, and reliability.

## CI Earthing Chamber Cover

Product Details:	
Weight	9 Kg (Approx)
Equipment Type	Earthing Pit Cover
Usage/Application	Electrical Earthing
Material	Cast Iron
Finish	Painted
Size	12x12 Inch/18x18 Inch
Country of Origin	Made in India
